Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Sunday 10 Jan 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Patchy rain in west. Drier, brighter in east.

Today:
Fife, Dundee and Angus should stay dry, with some sunshine this morning otherwise cloudy. Further west, thicker cloud will bring occasional rain. Less cold with a slow thaw. Fresh westerly winds. Maximum temperature 6 deg C (43 deg F).

Tonight:
A cloudy night with rain at times in the west but mostly dry towards the east coast. A frost-free night with fresh westerly winds. Minimum temperature 3 deg C (37 deg F).

Monday:
Cloudy with occasional rain, mainly in west during morning. A band of rain will come southwards to all areas in the afternoon, turning to snow on high ground before clearing. Maximum temperature 6 deg C (43 deg F).

Outlook for Tuesday to Thursday:
Mostly dry, sunny, cold on Tuesday with winds easing. Dry, frosty start to Wednesday, then rain, preceded by snow on high ground crossing all parts. Becoming drier, brighter on Thursday.
